

**SFB 914 –  
Trafficking of Immune  
Cells in Inflammation,  
Development and Disease**

# **SFB 914 *Seminar Series***

*www.sfb914.de*

## **Gender and Science**

**October 9, 2013**

**organized by  
Annette Müller Taubenberger  
and Barbara Walzog**

**max planck institute  
of biochemistry**

# SFB 914 Gender and Science

12:00–13:00 **Arrival, Welcome Reception**

Chair: Annette Müller-Taubenberger, Sandrine Etienne-Manneville

---

13:00–13:10

**Barbara Walzog** *Speaker of SFB 914 (Munich, Germany)*  
and

**Barbara Conradt** *LMU Vice President for Research and Diversity  
(Munich, Germany)*

Welcome Addresses

13:10–13:40

**Alison Abbott** *Nature (Munich, Germany)*

How Nature works

13:40–14:10

**Gerlind Wallon** *EMBO (Heidelberg, Germany)*

A persistent problem: Gender roles and bias

14:10–14:40

**Sussan Nourshargh** *University of London (London, UK)*

Breaching barriers: Story of junctures and junctions in  
leukocyte trafficking

14:40–15:10

**Véronique Witko-Sarsat** *Inserm (Paris, France)*

Cytosolic Proliferating Cell Nuclear Antigen (PCNA) scaffold in  
neutrophils: when networking is the key to survival

15:10–15:40 **Coffee Break**

# SFB 914 Gender and Science

Chair: Sussan Nourshargh, Véronique Witko-Sarsat

---

15:40–16:10

**Mia Phillipson** *University of Uppsala (Uppsala, Sweden)*

Leukocyte recruitment to inflammation and hypoxia

16:10–16:40

**Sandrine Etienne-Manneville** *Institut Pasteur (Paris, France)*

Intercellular contacts in directed collective migration

16:40–17:00

**Ulrike Seifert, Dunja Bruder** *University of Magdeburg (Magdeburg, Germany)*

Introduction of SFB 854

17:00–17:20

**Stefanie Kliche** *University of Magdeburg (Magdeburg)*

Role of ADAP/SKAP55 in T cell adhesion and migration

17:20–17:40

**Ildiko Dunay** *University of Magdeburg (Magdeburg)*

Neurotrophins and latent Toxoplasma infection

Moderator: Elisa Ferrando-May (University of Konstanz)

---

17:40–18:00

**Simone Salden** *DER SPIEGEL (Frankfurt a. M., Germany)*

„The wrong people“: The story of an investigation about women at a German university hospital

18:00–19:00

**Plenary Discussion: Gender and Science**

---

**Dinner:** Get-together for everybody („Mosaiksaal“ outside lecture hall)

## Meeting Venue

Ludwig-Maximilians-Universität

Lecture Hall F 1.08 („Kleiner Hörsaal Physiologie“)

Pettenkoferstr. 14

80336 Munich

<http://goo.gl/maps/2CBw7>

## SFB 914 Office

Dr. Tobias Kemme

Institut für Kardiovaskuläre Physiologie und Pathophysiologie

Walter Brendel Zentrum für Experimentelle Medizin, LMU

Schillerstr. 44, 80336 München

☎ +49 (0)89 2180-75409
