

Impact factor: **4.209**

Journal of **Innate Immunity**

Editors
Heiko Herwald (Lund)
Arne Eggesten (Lund)

Forthcoming special topic issue in 2013

Trafficking of Innate Immune Cells during Inflammation

Editor: **Oliver Soehnlein** (Munich)

Invited reviews

Maik Drechsler, Oliver Soehnlein
Myeloid cell recruitment in atherosclerosis

Paul Kubes, Keir Pittman
DAMPs control neutrophil recruitment

Sussan Nourshargh
Neutrophil transendothelial migration

Mauro Perretti
Control of myeloid cell trafficking in resolution of inflammation

Sara Rankin
Neutrophil trafficking from/to the bone marrow in steady state and inflammation

Alexander Zarbock, Jan Rossaint
Tissue specific neutrophil recruitment

Call for papers!

Experimental papers related to leukocyte recruitment are welcome.

Submission of manuscripts until the end of **October 2012.**
